Defendant Cantwell's Objection to
Plaintiffs' motion for Sanctions Against
Defendant Fields

Plaintiffs have moved to prevent Defendant
Fields from testifying at the upcoming
trial, among other penalties for his
refusal to be deposed.

I narrowly object to his being
prohibited from testifying,

I have a limited number of questions
I would like my co-defendant to
answer, such as if he ever listened
to my podcast, and what went through
his mind when Dwayne Dixon pointed an
AR-15 at him just before the car
crash.

I have no intent on arguing that he
has been "punished enough", and I
think the court will agree that it is
a bizarre notion that this would draw
any sympathy from a jury.

Respectfully Submitted

Christopher Cantwell
